Template 1 of 5 · LB-Answer-Question-v1_2026_10_15

Answer a member's question: Write a short, polite answer to a member's question using only the Library Facts, with a CHECK section for the reviewer

Sample input (invented, masked)	[INQUIRY]: Hello, how long can I borrow a book, and can I renew it? Also, is there a late fee? [LANGUAGE]: English [TONE]: Neutral [MAX_WORDS]: 80 [LIBRARY_FACTS]: LB-Facts-v1_2026_10_15.md

Test 1 · Prompt quality

Criterion	Evidence	Score
Role	Service desk agent at the Member Services Desk of a public library; the reader is a library member	1
Action	List the questions, find each answer in CONTEXT, write the answer, end with one next step	1
Context	[LIBRARY_FACTS] block, LB-Facts-v1 (7 facts)	1
Expectation	Language, tone, maximum words and a fixed format with a CHECK section	1
Input and rules	INPUT between ---; rules include use only CONTEXT and NOT IN FACTS	1
Total		**5 / 5**

Test 2 · Template quality

Criterion	Evidence	Score
Name and purpose	LB-Answer-Question-v1 and a one-line purpose at the top of the file	1
Variables	5 variables with types, allowed values and defaults (or "Ask for it" if missing)	1
Fixed safety rules	Use only CONTEXT, no promises, no sensitive-data requests, no repeated codes, fairness rules	1
Tested	Two fills (N1 English, N2 Arabic with Automated) and one edge case (E1: reservation queue position)	1
Safe examples	Only invented, masked data (Membership-X)	1
Owner and version	Muna Alharby · v1 · 2026_10_15	1
Total		**6 / 6**

Test 3 · Output quality

Criterion	Evidence	Score
Facts supported and current	14 days and the renewal rule match Facts v1; the late fee is flagged NOT IN FACTS	1
Numbers, dates and names exact	"14 days", "2 times" and "1 day" exactly as in the Facts	1
No promises or actions	No date promised, no action claimed	1
No sensitive data repeated	No personal data in the input or the reply	1
Complete and natural	All 3 questions answered or flagged; the wording reads naturally	1
Total		**5 / 5**

SCREENSHOT

Notes: All three tests reached the full score after one fix. Fix once: removed the "Next step" label from the reply (rule and for mat updated, N1 run again). Observations for second run: (1) CHECK wrote "Needs checking: None" although the reply has numbers (14 days, 2 times, 1 day); proposed fix: "Write None only if the reply has no number, date or name." (2) The referral to the official cha nnel appears twice (statements 4 and 5); proposed fix: "Give one next step only, without repeating the referral." **Status: Approved**

Template 2 of 5 · LB-Summarize-Letter-v1_2026_10_15

Summary of a member's letter: Summarize a long member letter in three fixed lines for the librarian.

Sample input (invented, masked)	[LETTER]: Hello, my name is Member-1 and my card number is Membership-X. Two weeks ago I borrowed two books and tried to renew them in the app on the due date, but it did not work. Now the system shows them as late. I visited the desk on Sunday but it was very busy and nobody could help me. I would like the loan extended and I want to know why the app did not let me renew. [LANGUAGE]: English [MAX_WORDS]: 60

Test 1 · Prompt quality

Criterion	Evidence	Score
Role	Service desk agent at the Member Services Desk of a public library; the reader is a library member	1
Action	Find the main request, then the key details, then write a three-line summary	1
Context	The letter is the only source; no other facts are allowed	1
Expectation	Language, neutral tone, maximum words and a fixed three-line format with labels	1
Input and rules	INPUT between ---; use only the letter, keep codes as written, flag unclear requests	1
Total		**5 / 5**

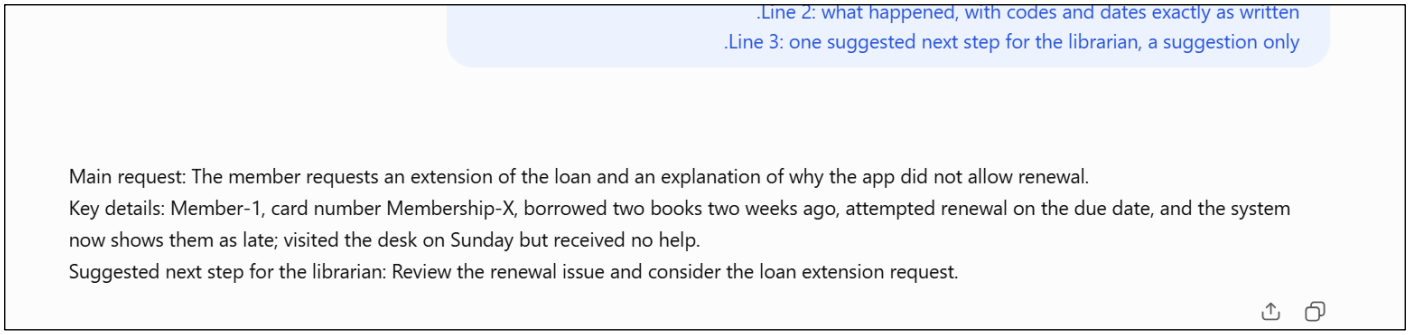

Test 2 · Template quality

Criterion	Evidence	Score
Name and purpose	LB-Summarize-Letter-v1 and a one-line purpose at the top of the file	1
Variables	3 variables with types, allowed values and defaults (or "Ask for it" if missing)	1
Fixed safety rules	No added facts, no promises, no real data, no judgement, flag what is unclear	1
Tested	Two fills (N1 English, N2 Arabic with Automated) and one edge case (E1: unclear letter)	1
Safe examples	Only invented, masked data (Member-1, Member-2, Membership-X)	1
Owner and version	Muna Alharby · v1 · 2026_10_15	1
Total		**6 / 6**

Test 3 · Output quality

Criterion	Evidence	Score
Facts supported and current	Only what the letter says; no library policy added	1
Numbers, dates and names exact	"Member-1", "Membership-X", "two weeks ago" and "Sunday" exactly as written	1
No promises or actions	The next step is a suggestion for the librarian; no extension promised	1
No sensitive data repeated	Only codes; no real names or contact details	1
Complete and natural	Both requests (extension, reason for the failed renewal) included in three clear lines	1
Total		**5 / 5**

SCREENSHOT

Notes: All three tests reached the full score after one fix. the N2 used English labels on an Arabic summary; the format now check the labels in the summary language. N1 and N2 were run again and passed; E1 returned “Unclear: ask the member” without guessing. **Status:** Approved

Template 3 of 5 · LB-Classify-Request-v1_2026_10_15

Sort member requests: Label each member request with exactly one category so it reaches the right person.

Sample input (invented, masked)	[REQUEST]: Hi, I borrowed a book last week. Can I keep it for another two weeks? [CATEGORIES]: LB-Categories-v1 [LANGUAGE]: English

Test 1 · Prompt quality

Criterion	Evidence	Score
Role	Service desk assistant who sorts member requests; the reader is the librarian	1
Action	Find the main need, choose one category from CONTEXT, write the result	1
Context	[CATEGORIES] block, LB-Categories-v1 (5 categories with meanings)	1
Expectation	Language, tone, maximum words and a fixed three-line format	1
Input and rules	INPUT between ---; exactly one category, Other if none fits, no answer to the member	1
Total		**5 / 5**

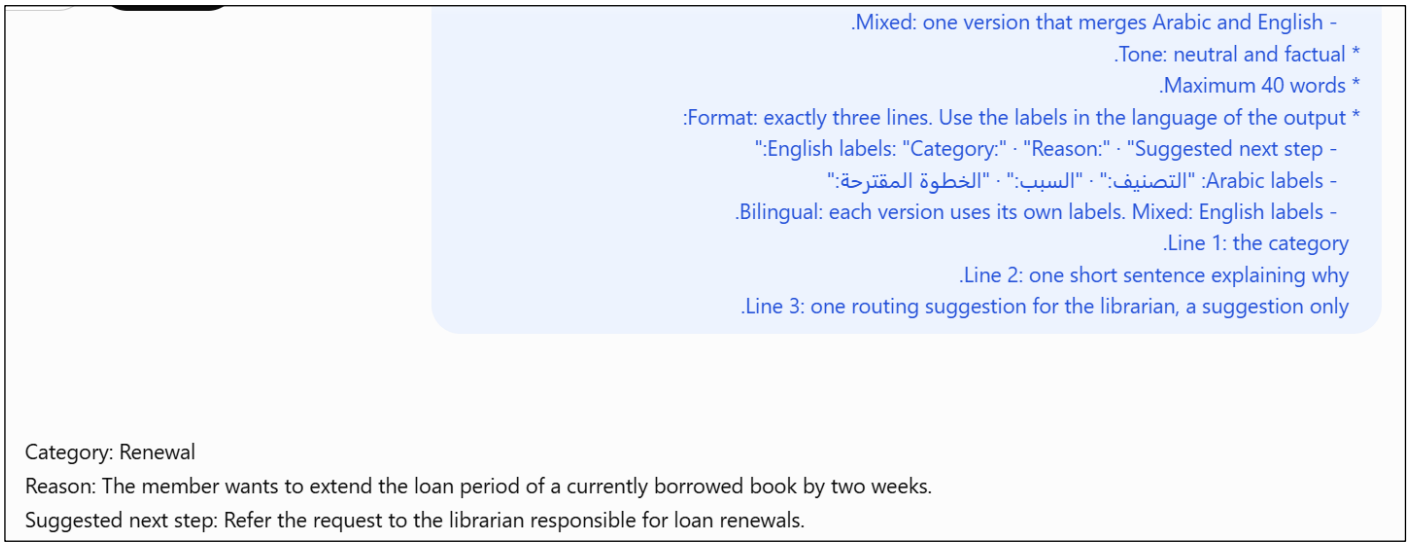

Test 2 · Template quality

Criterion	Evidence	Score
Name and purpose	LB-Classify-Request-v1 and a one-line purpose at the top of the file	1
Variables	3 variables with types, allowed values and defaults	1
Fixed safety rules	One category only, no policies added, no promises, no repeated codes	1
Tested	Two fills (N1 Renewal, N2 Arabic Membership) and one edge case (E1: Other)	1
Safe examples	Only invented, masked data (Membership-X)	1
Owner and version	Muna Alharby · v1 · 2026_10_15	1
Total		**6 / 6**

Test 3 · Output quality

Criterion	Evidence	Score
Facts supported and current	The reason uses only the request and the category meanings	1
Numbers, dates and names exact	“two weeks” as written; “Renewal” exactly as in CONTEXT	1
No promises or actions	No answer given, no extension promised; the next step is a routing suggestion	1
No sensitive data repeated	No personal data in the input or the output	1
Complete and natural	One category, one reason, one next step	1
Total		**5 / 5**

SCREENSHOT

Notes: All three tests reached the full score on the first run. No fix needed. **Status: Approved**

Template 4 of 5 · LB-Rewrite-Note-v1_2026_10_15

Friendlier staff note: Rewrite a short, blunt staff note as a friendly message to a member without changing any fact.

Sample input (invented, masked)	[DRAFT]: Your book is 3 days late. Bring it back. You were told the due date when you borrowed it. [LANGUAGE]: English [TONE]: Friendly [MAX_WORDS]: 60

Test 1 · Prompt quality

Criterion	Evidence	Score
Role	Editor at the Member Services Desk who improves staff notes; the reader is a member	1
Action	Find the facts and next step, remove blame, rewrite in the requested tone	1
Context	The draft is the only source; every fact in it must be kept	1
Expectation	Language, tone, maximum words, a fixed format and a CHECK section	1
Input and rules	INPUT between ---; keep facts, remove blame, promise rule before keep-facts rule	1
Total		**5 / 5**

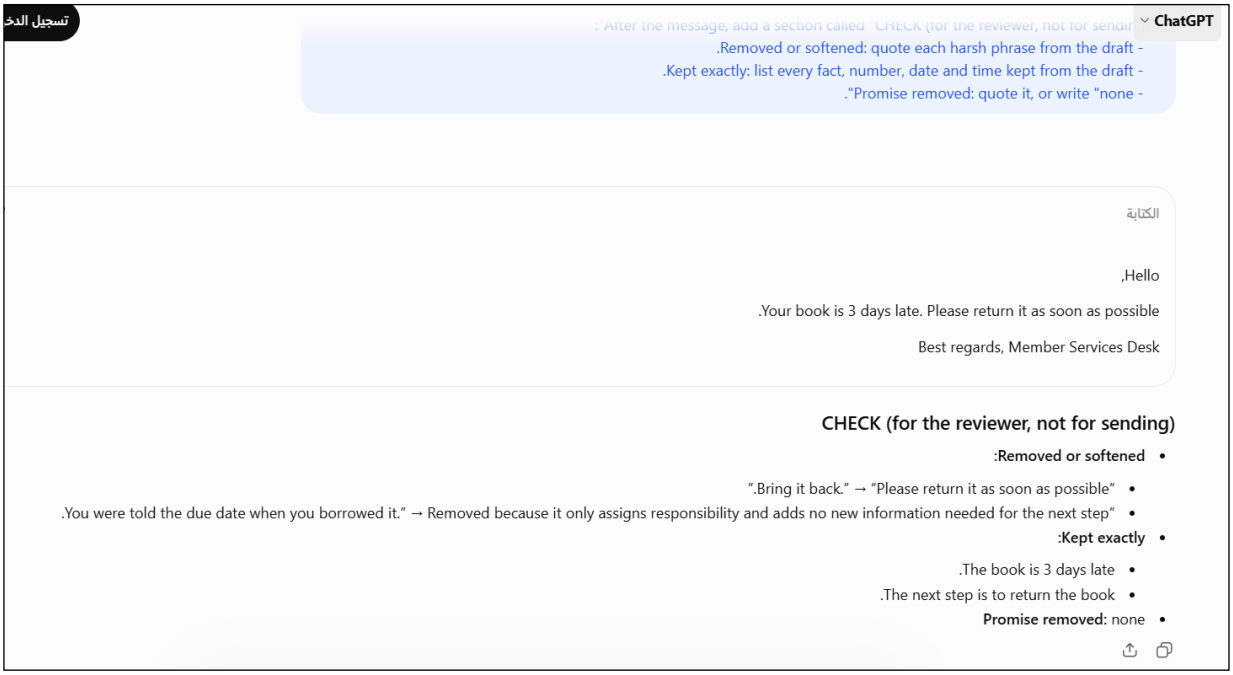

Test 2 · Template quality

Criterion	Evidence	Score
Name and purpose	LB-Rewrite-Note-v1 and a one-line purpose at the top of the file	1
Variables	4 variables with types, allowed values and defaults	1
Fixed safety rules	No added facts or promises, remove blame, keep urgency, no repeated codes	1
Tested	Two fills (N1 English Friendly 60, N2 Arabic dialect Calm 50) and one edge case (E1: a promise in the draft, Formal 40)	1
Safe examples	Only invented data; no personal data	1
Owner and version	Muna Alharby · v1 · 2026_10_15	1
Total		**6 / 6**

Test 3 · Output quality

Criterion	Evidence	Score
Facts supported and current	Every fact in the message comes from the draft	1
Numbers, dates and names exact	“3 days late” kept exactly	1
No promises or actions	None added; “Promise removed: none”	1
No sensitive data repeated	No personal data in the draft or the message	1
Complete and natural	Blame removed, urgency kept (“as soon as possible”), reads naturally	1
Total		**5 / 5**

SCREENSHOT

Notes: All three tests reached the full score after one fix. First runs: N1 kept the blame sentence in softer words and used “at your convenience” for a late book; E1 kept the promise as “expected tomorrow” while CHECK said it was removed. Fix once: the promise rule now comes before the keep-facts rule, blame-only sentences are removed, the urgency of the next step is kept. N1 and E1 were run again and passed. Observation for v2: the Friendly tone is polite but brief. **Status: Approved**

Template 5 of 5 · LB-Draft-Reminder-v1_2026_10_15

Due-date reminder: Write a short reminder that a loan is due soon and explain the renewal rule.

Sample input (invented, masked)	[DUE_DATE]: Tuesday [LANGUAGE]: English [TONE]: Friendly [MAX_WORDS]: 50 [LIBRARY_FACTS]: LB-Facts-v1

Test 1 · Prompt quality

Criterion	Evidence	Score
Role	Polite service desk agent at the Member Services Desk; the reader is a member with a book on loan	1
Action	State the due date, explain the renewal rule, end with one next step	1
Context	[LIBRARY_FACTS] block, LB-Facts-v1	1
Expectation	Language, tone, maximum words, a fixed format and a CHECK section	1
Input and rules	INPUT between ---; date exactly as given, no invented renewal channel, ask if the date is missing	1
Total		**5 / 5**

Test 2 · Template quality

Criterion	Evidence	Score
Name and purpose	LB-Draft-Reminder-v1 and a one-line purpose at the top of the file	1
Variables	5 variables with types, allowed values and defaults (or “Ask for it” if missing)	1
Fixed safety rules	Use only CONTEXT, never guess a date, no promises, no added statements	1
Tested	Two fills (N1 English, N2 Bilingual) and one edge case (E1: missing due date) passed after the fix	1
Safe examples	Only invented data; no personal data	1
Owner and version	Muna Alharby · v1 · 2026_10_15	1
Total		**6 / 6**

Test 3 · Output quality

Criterion	Evidence	Score
Facts supported and current	The renewal rule matches Facts v1; no renewal channel invented; the referral is the allowed addition	1
Numbers, dates and names exact	“Tuesday”, “2 times” and “1 day” exactly as given	1
No promises or actions	No renewal promised, no action claimed	1
No sensitive data repeated	No personal data in the input or the message	1
Complete and natural	Due date, renewal rule and next step all present; reads naturally	1
Total		**5 / 5**

SCREENSHOT

Notes: First runs: N1 added “Renewal is subject to the library’s rules”, which is not in the Facts, and CHECK listed a fact the message did not use and left out the due date; N2 (Bilingual) wrote the Arabic day "الأحد" inside the English version. Fix once: no general statements outside CONTEXT, the day is written in the language of each version, and CHECK lists only facts in the message, including the due date. N1 and N2 were run again and passed; E1 asked for the missing due date without guessing. Observation for second run: in N2, CHECK quoted template rules as supporting lines; proposed fix: “Quote only lines from CONTEXT.” **Status: Approved**
